

Happy Kids Don't Bully

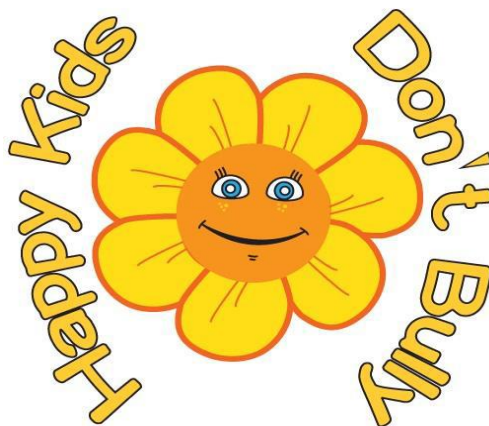

Bullying is not just about the target

There are 4 groups involved

**The person doing the bullying is the person with the problems
It's about their need for power and control**

They need help to stop

**The only way to stop bullying
Is to help the perpetrators stop**

www.eyepat.org

How will it benefit your school?

Your pupils will achieve better results and be happier children free from the fear of bullying.

Your school will spend more time teaching and less time dealing with bullying issues saving you £££'s in lost teaching hours.

Your parents and governors will see you taking bullying seriously and actively doing something to stop it.

You will be seen in your community as a school who takes bullying very seriously.

Stress levels amongst the teaching and support staff will reduce when they have fewer confrontational issues to deal with.

Who will be involved?

The 3 key outcomes

Happy Kids Don't Bully is an entire school programme

There are a variety of different workshops to choose from and they can be used on a mix and match basis:

- Assembly Workshops – up to 100 children – 1 hour [up to 3 per day]
- Pupil Workshops – 1 class – Ages 4 – 18 – 1 hour [up to 4 per day]
- Parental Workshop – 1½ hours
- Teacher Workshop – how to run a Happy Kids Don't Bully Workshop - full day
- Midday supervisor Workshop - How to prevent Bullying in the Playground – half day

Accompanying materials:

- Teachers, Midday Supervisor and Pupil Workbooks
- Pre and Post event suggested activities for pupils
- Happy Kids Don't Bully Trophies
- Bully Survival Kits containing Advice, Sticker and Wristband or Balloon

We also provide supporting literature:

- Understanding the Bully Booklet
- The Bullying and Hate Crime Handbook
- EyePAT Online Safety Information Guide
- Beneath Bullying Behaviours Guidance [currently in development]

We also provide learning games:

- Meanie Maggots – available on our website
- Bully Detective – board game – available to download

Running it yourself

For schools who wish to run their own workshops, there is a kit available with all the materials, presentations and lesson plans plus a film showing a workshop being run. Attending the Train the Teacher workshop is optional.

The cost - Kits start at £199 – Workshops from £65 [plus VAT]

EyePAT has a outstanding and proven record of internet safety and anti bullying teaching.

This knowledge will still help us deal with situations and hopefully open people's eyes more to the reason for their actions. It was very interesting and I have already written up my report ready to produce it to the rest of the MDSA's and Teachers.
Tregoze Primary School

Students were focused and actively engaged during activities, students were able to discuss amongst themselves reasons for bullying.
George Salter Academy

Extremely informative, use of resources was excellent. Learnt a great deal on cyberbullying
St Illtyds Catholic High School

Very detailed lesson plan and useful resources and ideas provided. The pupils will benefit from a greater understanding of bullying and it's causes.
Ysgol Gyfun Caerfilli

Very interesting session. Has made me realise that it's not only the victims who need help.
Peatmoor Primary School

Excellent presentation, interesting workshop. Enjoyed the morning. Thanks.
Crowdys Hill School

I feel this course is very worthwhile, I feel more confident with being able to handle any bullying situation that would arise.
Holy Family School

Exceeded my expectations. I will now plan to deliver training to all MDSA's and KS2 children with the view to follow with TVA training and KS1. Many thanks
Haydon Leigh School

The course made me think about the bully not just the victim and to find out if the children know where to go in our school if they are bullying or being bullied.
Haydon Wick Primary School

Think of the benefits to your pupils & staff if you could prevent bullying in your school
