## The missing link in bullying prevention

# How it integrates into schools' current bullying strategies

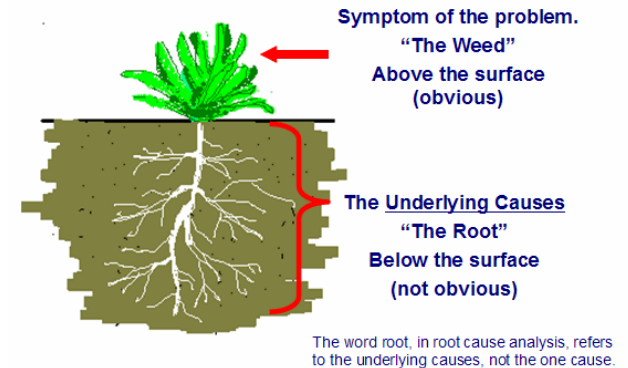

# Happy Kids Don't Bully – the missing link

Schools current strategies contain :

- What bullying is
- Why bullying is wrong
- The need to take action to report it if you see it
- Support for victims using many resources
- Specialised support staff
- Peer mentoring / bully buddies
- Counselling services
- Suspension or exclusion

## Root Cause Analysis Basics

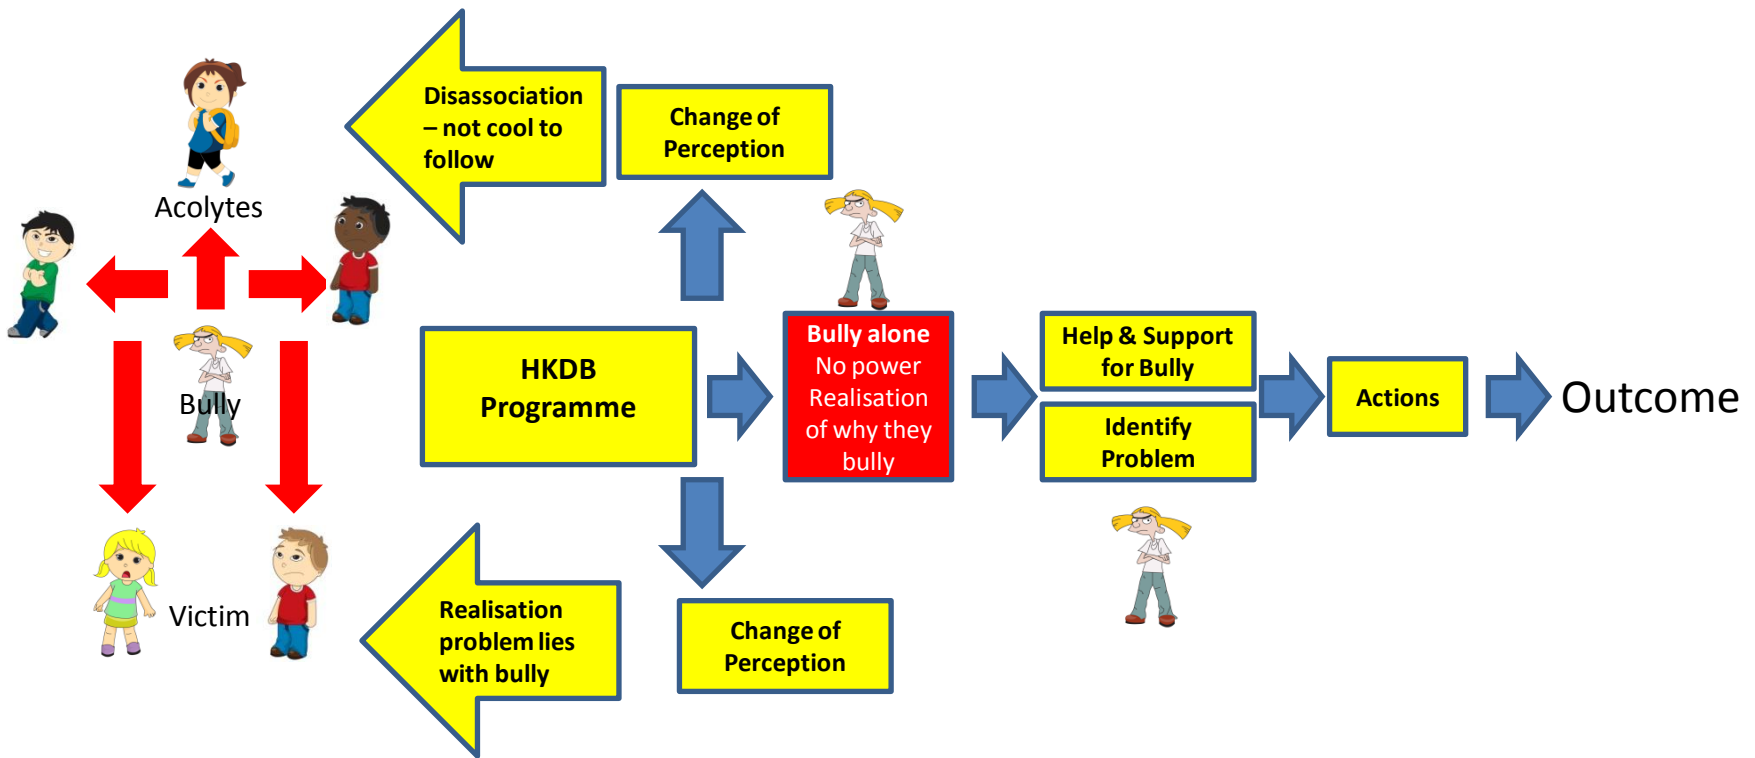

The missing link is:

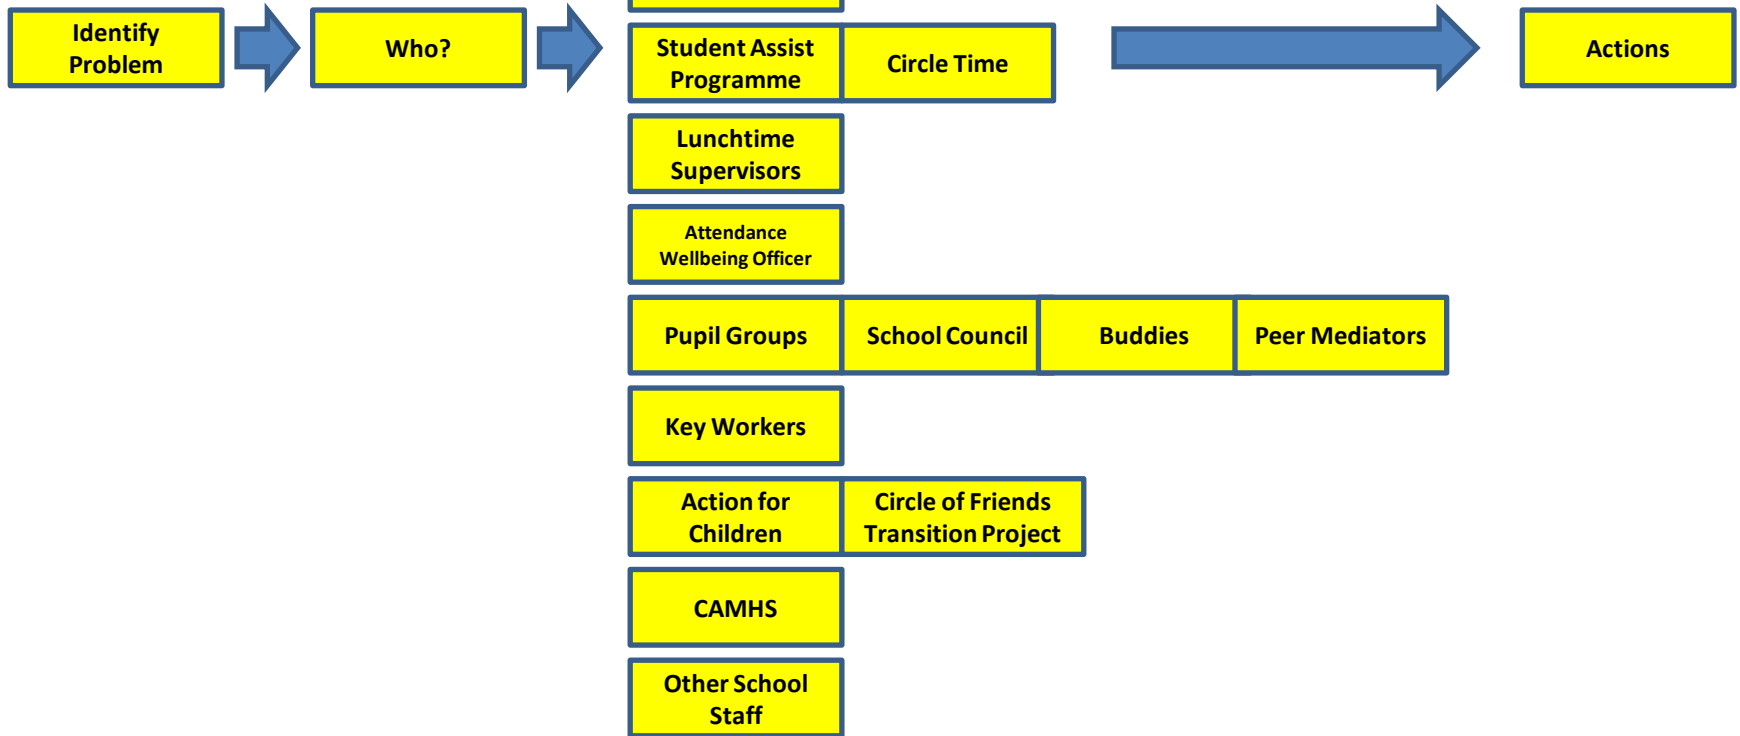

Why does the bully bully? Which is why  was created

Its purpose is to get to the root of the problem  
..... to find out why the bully is bullying  
and then get them the help they need to stop

**If you don't have a bully you don't have any victims**
